Objective

Experienced and technically proficient Network Maintenance Supervisor with a strong background in computer science and a proven track record in network engineering and support. Aiming to leverage my skills and experience at ABC Electronics to ensure network stability, security, and optimal performance.

Education

Bachelor of Science in Computer Science and Technology

Tianjin University — September 2023 to July 2027

- Major Courses: Computer Networks, Operating Systems, Database Systems, Network Security
- Academic Excellence: Multiple university scholarships
- Achievements: Silver Medalist in International Collegiate Programming Contest (ICPC)

Master of Science in Computer Science and Technology

Tianjin University — September 2027 to Expected July 2030

- Admitted through the National Base for Basic Science and Talent Development
- Major Courses: Advanced Computer Networks, Distributed Systems, Advanced Database Systems, Network Security
- Research: Participated in multiple research projects and published several academic papers

Professional Experience

Network Engineer

Huawei Technologies Co., Ltd. — August 2023 to October 2024

- Assisted engineers in the installation and configuration of network devices.
- Provided on-site technical support to clients, resolving network connectivity and configuration issues.
- Learned and mastered various network protocols and tools.
- Documented technical procedures and user guides to improve operational efficiency.

Intern - Network Technical Support

ABC Technology Co., Ltd. — June 2022 to August 2023

- Planned, deployed, and maintained the company's internal network infrastructure to ensure stable and reliable operation.
- Conducted regular inspections and troubleshooting of network equipment to promptly resolve any issues.
- Assisted IT teams in configuring and testing network setups for new projects.
- Participated in the implementation of network security initiatives to enhance the company's cybersecurity posture.
- Optimized network architecture to improve performance and user experience.

Certifications and Achievements

- Cisco Certified Network Associate (CCNA)
- CompTIA Network+
- Silver Medalist, 49th ICPC International Collegiate Programming Contest, Hangzhou Regional Contest
- Bronze Medalist, 49th ICPC International Collegiate Programming Contest, Chengdu Regional Contest

Skills

- **Network Technology:** Proficient in TCP/IP protocols, routing protocols, switching technologies, and firewall configurations.
- **Troubleshooting:** Ability to quickly identify and resolve network issues, with extensive hands-on experience.
- **Project Management:** Skilled in planning and executing network projects within budget and timeline constraints.
- **Communication:** Strong verbal and written communication skills, with the ability to collaborate effectively with cross-functional teams.
- **Tools and Software:** Experienced with network monitoring tools, Wireshark, Cisco IOS, and other industry-standard software.

Languages

- **English (Fluent)**
- **Mandarin (Native)**

Interests

In my free time, I enjoy coding, participating in tech meetups, and staying updated with the latest developments in network technology. I also have a keen interest in photography and volunteer as a mentor for aspiring computer science students.

Thank you for considering my application. I am excited about the opportunity to contribute to ABC Electronics and look forward to the possibility of joining your team.

Sincerely,

Xinghang Yu
